Journals

Digital Humanities Quarterly

An open-access, peer-reviewed, digital journal covering all aspects of digital media in the humanities. Published by the Association for Computers and the Humanities (ACH) and the Alliance of Digital Humanities Organizations (ADHO),
<http://www.digitalhumanities.org/dhq/>

Digital Scholarship in the Humanities

DSH or *Digital Scholarship in the Humanities* is an international, peer reviewed journal which publishes original contributions on all aspects of digital scholarship in the Humanities including, but not limited to, the field of what is currently called the Digital Humanities.
<https://academic.oup.com/dsh/issue>

Digital Studies / Le Champ Numérique

Digital Studies / Le champ numérique is a refereed academic journal that serves as an Open Access area for formal scholarly activity and as a resource for researchers in the Digital Humanities. It is published for the Alliance of Digital Humanities Organisations under the direction of the Canadian Society for Digital Humanities/Société canadienne des humanités numériques (CSDH/SCHN) by the Open Library of the Humanities.
<https://www.digitalstudies.org/issues/>

TEI Journal

The *Journal of the Text Encoding Initiative* is the official journal of the Text Encoding Initiative Consortium. It publishes the proceedings of the annual *TEI Conference and Members' Meeting* and special thematic issues: state-of-the-art reports on electronic textual editing, current trends in TEI encoding, and new use cases for TEI. It furthermore provides a forum for articles on the discussion of the interface between the TEI and other communities, and more generally of the role of technological standards in the digital humanities, including digital scholarly editing,

linguistic analysis, corpora creation, and newer areas such as mass digitization, semantic web research, and editing within virtual worlds.
